

# Global mobility embraces change.

We respond to  
the way society  
works and adopt  
new strategies.

Maximise your **potential**

International Tax Team of the Year 2017

Partners and Directors

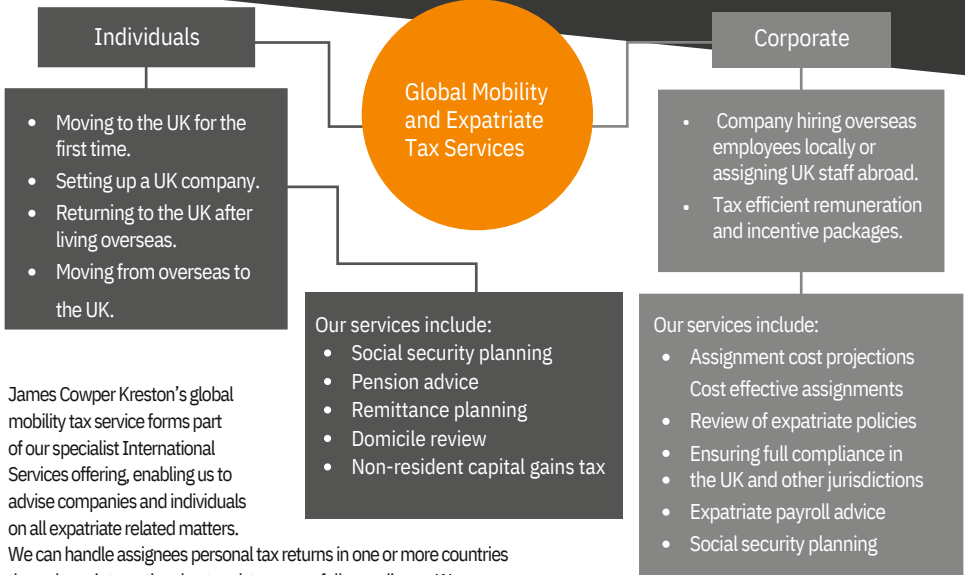

Largest firm in the UK

Staff

Shortlisted for medium-sized firm of the year at British Accountancy Awards again in 2019

James Cowper Kreston's global mobility tax service forms part of our specialist International Services offering, enabling us to advise companies and individuals on all expatriate related matters.

We can handle assignees personal tax returns in one or more countries through our international network to ensure full compliance. We can provide additional services to senior individuals in order for them to focus on the business without worrying about increasingly complex tax affairs.

Expatland	Kreston Global
International network.	12th largest accounting network in the world.
Service providers specialised in expat tax matters.	Kreston covers over 100 countries.
E-teams around the world.	700 offices.
