### Individuals

- Moving to the UK for the first time.
- Setting up a UK company.
- Returning to the UK after living overseas.
- Moving from overseas to the UK.

James Cowper Kreston's global mobility tax service forms part of our specialist International Services offering, enabling us to advise companies and individuals on all expatriate related matters.

We can handle assignees personal tax returns in one or more countries through our international network to ensure full compliance. We can provide additional services to senior individuals in order for them to focus on the business without worrying about increasingly complex tax affairs.

## Global Mobility and Expatriate Tax Services

Our services include:
