

We process £3bn
payrolls every year

1

So you can sit back, relax and focus on what matters most - running and growing your business.

Another item onto the list of things you no longer have to do, because we do!

2

We are a BACS
approved bureau

We love submitting
pension files!

3

Actually, no one loves this job, but we can do it so our clients don't have to know the pain!

This means there's never a single point of failure, which gives our clients the peace of mind, they didn't have internally.

4

We have a large
team of processors

We ensure clients
remain compliant

5

Payroll is complex and getting harder as Government adds increasing burdens on employers. We look after the burden.

Mandatory for all UK employers from April 2026 - we ensure it's done right.

6

We know how to
payroll Benefits in
Kind (BIK's)

We invest in
new technology

7

Our clients benefit from increased efficiencies and economies of scale.

We don't just check the hourly rates - NMW is impacted by many things including salary sacrifice, DEO's, unpaid work and accommodation.

8

We keep an eye
on pay levels

We process
international
payrolls

9

Whether inbound or outbound, we ensure international employees are processed correctly.

With over 800 clients across all sectors, there isn't anything we've not seen before.

10

We've seen
it all before
